

Dates looking back

This sheet is a draft to help in thinking about Postscript and PDF. At Seybold (end August 2000) there will be discussion on the future twenty years so this might help as background. Please modify as makes sense.

1980-1999

1980	
1981	
1982	
1983	
1984	
1985	Postscript
1986	
1987	
1988	
1989	
1990	DRUPA declares Postscript official
1991	
1992	
1993	Acrobat
1994	
1995	
1996	Frank Romani offers PDF based course in pre-press at RIT
1997	
1998	
1999	Adobe figures show ePaper selling more than OEM Postscript

2000

Jan	
May	Job Definition Format launched at DRUPA
July	Flash Forward 2000 : John Warnock has gone animated
Aug/Sept	Seybold San Francisco**

** 'Our Take' Hints at previous events about decline in print sales may be backed up with figures.
Print will not be seen as particularly interesting.
