

## SOCIAL ECONOMY EMAIL DIRECTORY 1 SEP 95

This Acrobat file is to demonstrate Acrobat and show the organisations in the social economy who are already using e-mail. The notes like this can be clicked on to show changes or comments. The text was downloaded from ARIES-WHO-S-WHO and edited in Word.

Acrobat could be used to publish directories frequently in short runs. The Reader is free and can cope searching small files. With Exchange , costing about £140, it is possible to search large documents if the indexes have been set up and also to originate Acrobat documents.
